

## ZK-WCS Wipers

Pair of wipers for CSW/CSWK-sliders. To keep the raceways free of contamination and ensure a longer service life.

For CSW/CSWK-sliders, the wipers are delivered un-assembled and need to be correctly oriented and laterally adjusted to the rail. In cases when a complete system of rail + slider(s) is ordered, wipers are already assembled, oriented, and adjusted to the rail.

## General Data

Wiper WCST for T-rail

Wiper WCSU for U-rail

Wiper WCSK for K-rail

| Designation | Size | Compatible with |
|-------------|------|-----------------|
| ZK-WCST18   | 18   | T-rail          |
| ZK-WCST28   | 28   | T-rail          |
| ZK-WCST43   | 43   | T-rail          |
| ZK-WCST63   | 63   | T-rail          |
| ZK-WCSU18   | 18   | U-rail          |
| ZK-WCSU28   | 28   | U-rail          |
| ZK-WCSU43   | 43   | U-rail          |
| ZK-WCSU63   | 63   | U-rail          |
| ZK-WCSK43   | 43   | K-rail          |
| ZK-WCSK63   | 63   | K-rail          |
