

NP planetary gearbox

Universally suitable gearbox from alpha Value Line with the best price-performance level. With LP+ B14 output geometry. Smooth or keyed output shaft. Optional available in High Torque execution for ratio 3:1 and 4:1 and products thereof for 2-stage gears. The stated maximal backlash is kept throughout the lifetime of the gearbox. Contact Rollco for CAD-files.

Ratio: 3-100

Max. Torque (Nm): 18 - 800

Other models: food-grade lubrication
